FREAK OF NATURE

All the tracks from the album arranged for piano, voice & guitar, complete with lyrics & guitar chord boxes.
I'm a freak!

Spoken: Excuse me, what you say to me?

Oh no you said it. No, I'm not I'm sorry but, you know, I ain't that kind o' girl!
1. Look at me and see a little girl inside my skin, it's so supernatural.

(Verse 2 see block lyric)

Ow!

So don't be try'n to push up on me, baby.

My mamma told me better than that: the bigger you are,

the harder you fall.

I'm above the original, not ty-
pi-cal, not ooh la la, baby. You can hold me responsible, it's che-
mi-cal if you're bringing it out in me. Ah,

I'm a freak of nature. You better beware o' danger. Ah,

I'm your midnight angel. I'm a freak,
Verse 2:
I'm a little material, got bling bling
My glasses got a shade
But there's a hippy chick in me that's barefoot
Walking in the grass
Just 'cause I like sipping on champagne
 Doesn't mean I'm not afraid of the rain.

I'm a bomb in a physical
Not practical, not plan-ahead baby
If you open Pandora's box
Prepare yourself, 'cause the world'll be changing

I know you feel you can't be strong
And anytime you feel like you...

Hold on, we can make it through the fire.

And my love, I'm forever by your side.

Through the fire, by your side, I will be there for you, so love don't you worry.

-pended in time, and the air suddenly went
cold.
The sun is still shining, but everything feels like rain,
ah.
And if I
had one wish, it would be to see you again.
No-thing's fair when we lose without a moment to say goodbye.
How come the world won't stop spinning now that you're gone? (Now that you're gone?)
I know every end has beginnings but this one's so wrong.

(This one's so wrong.) So wrong.

so wrong.

Caught in the middle, wrong place, wrong
And I'm hope-less-ly miss-ing you,
yet I can't stop the night.

No-thing's fair-
a-ny-more,
and I know there's a bet-ter place;

and I'll nev-er stop dream-ing of you.
How come the world won't stop spinning now that you're gone? (Now that you're gone?)

I know every end has beginnings, but this one's so wrong, so wrong.

How can the seasons keep changing since you disappeared? (You disappeared.) Tell me,
how come the world won't stop?
How come the world won't stop?

Sweet tears I shed;
this pain

we lay to rest. It's hard letting go, but I keep moving on

in a place I don't belong.
How come the world won't stop spinning now that you're gone?
(Now that you're gone.)

I know ev'ry end has beginnings, but this one's so wrong.

How can the seasons keep changing since you disappeared?

How come the world won't stop spinning now that you're gone?

Why'd you lie to me? You've been creepin', sneakin', sleepin' with another.

Messed up, it's time to leave; so bye, bye.

1. You used to treat me like a queen, said I was your everything.

But I found a number on the floor, an' I won't take it no more.

Baby it feels so crazy thinkin' you'd be true to me, yeah.

(Tell me baby.) Did you really think that (I would maybe) I'd turn the other cheek, yeah?

(And let you play me.) I thought you were different, but you're like the rest, it's true.
Why'd you lie to me? Can't be trusted, good-for-nothing type o' brother!

Every thing you claimed to be was a lie, lie.

Why'd you lie to me? You've been creepin', sneakin', sleepin' with another.

Messsed up, it's time to leave; so bye, bye.

Why'd you lie to me?
Why'd you

lie to me?
Why'd you, why'd you lie to me?

Why'd you lie to me?
Can't be trusted, good-for-nothing type o' brother!

Ev 'ry thing you claimed to be was a lie, lie.
Verse 2:
Last time you played me like a fool
Now it’s time I lose my cool
Ain’t no way you’ll ever get another chance
Why’d you just claim to be so true
When I gave my world to you
All you wanna do is hang out on the edge of the line
(Tell me baby) Did you really think that
(I would maybe) I’d turn the other cheek and
(And let you play me) Ooh, but I flipped it all for you.

Why’d you lie to me  etc.
Late in September, the memories I can't erase that shivered through Autumn,

Verse 2:
Emotions so bother my soul
To know that I felt such pain
I thought it would go far away
